_____, 2011

Dear Parents:

A requirement of the No Child Left Behind Act (NCLB) of 2001 is that each Title I school must have a current Title I Parent Involvement Policy on file. The policy must be made available to parents. The policy should outline what the school will do to increase parental involvement in order to improve student achievement. A copy of the Title I Parent Involvement Policy is attached and will be made available on the Jordan High School website.

Please contact the school if you have questions regarding this information.

Sincerely,

Alton White
Principal
