Guidance C-6 is for Advising Parents of the Right to Know Information about a Teacher's Qualifications as Required by The Elementary and Secondary Education Assistance Act of 1965 (ESEA) [Section 1111(6) (A)]

Date 9/16/2011

Dear Parent(s)/Legal Guardian(s):

Our School receives federal funds for Title I programs that are part of the Elementary and Secondary Education Assistance Act of 1965 (ESEA). Throughout the school year, we will continue to provide you with important information about this law and your child's education.

You have the right to request information regarding the professional qualifications of your child's classroom teacher(s). If you request this information, the district or school will provide you with the following as soon as possible: We are happy to provide this information to you.

- Whether the teacher met state qualifications and certification requirements for the grade level and subject he/she is teaching,
- Whether the teacher received an emergency or conditional certificate through which state qualifications were waived, and
- What undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration.

You may also ask whether your child receives help from a paraprofessional. If your child receives this assistance, we can provide you with information about the paraprofessional's qualifications.

Our staff is committed to helping your child develop the academic knowledge and critical thinking he/she needs to succeed in school and beyond. That commitment includes making sure that all of our teachers and paraprofessionals are highly skilled.

If you have any questions about your child's assignment to a teacher or paraprofessional, please contact **Elisa Nave-Peoples** at **Muscogee County Public Education Center** at **706-748-2157** or email me at **Nave.Elisa.B@muscogee.k12.ga.us**.

Sincerely,

Principal
